Seen and agreed.

Matters arising:

- The Scouts raft race went well with some support from members of the club. Thanks to everyone who helped out.
- The taster session that Lizzie wanted to organise for her colleagues is still to be arranged.
- Tony had a shield made up in memory of Jim Wilson. He has showed it to Jim's wife and she has seen the shutter at the club which she was really pleased with. A Facebook event is now up for the Jim Wilson memorial paddle on the 25th September, which has logo made by Bethany.
- Rachel Hudspith still to be invited to a committee meeting.
- Trinity pools want people to help out with paddling sessions during the week in summer. If anyone can help, speak to John for information.
